Dr. Harmon McAllister,  
Scientific Director,  
The Council for Tobacco Research USA Inc.,  
900 3rd Avenue,  
New York.  
NEW YORK 10022.

Dear Dr. McAllister,

I am writing to you to receive any information you might have regarding your Institute's support of research in olfaction. We have an active neuro-anatomic light and electron microscropic laboratory here at the University of Massachusetts Medical Center, studying in particular changes occurring in the olfactory epithelium and olfactory neuro-epithelium. We would be most anxious to view any material that you might have that would give us the opportunity to be of service to the Institute by providing appropriate research studies.

I look forward to hearing from you.

Sincerely,

William G. Lavelle, MD.
